Welcome

Everlasting Memorials is a family-owned and operated business that was established in 1986. Our pride lies in the fact that we are committed to a high standard of excellence. This level of professionalism can be seen in our team members, our craftsmanship and our customer service. Regardless of your religion or culture, you will feel respected and understood at Everlasting Memorials.

Matthew From & Tristan Caswell
Owners, Memorial Consultant-Designers

Matthew and Tristan have over 20 years of experience in memorial design and stonework. They are both hands-on in the business and manage the office, as well as the stone masonry shop. They live in St. Andrews with their three sons, as well as horses, cats, ducks and a dog.

Binh Huyhn
Stonemason

One of the most important members of our team is our stonemason. Binh has over 40 years of international experience. Binh is one of the few stonemasons left in Canada today. His set of skills include carving and inscribing details. Proof of his tremendous effort and talent can be seen in everyone stone he touches. He lives in Winnipeg with his wife and children.

Wes Gregoire
Customer Service Management

Wes has a strong background in management and customer service. A father of two grown sons, Wes is relationship-driven and enjoys spending time at his cottage with his wife.

Other Team Members

Our team continues to evolve and diversify. New employees introduce innovative skills and experiences that allow the company to change and grow. Whether it is over the phone, via email, or in person, we can assure you that you will interact with knowledgeable and professional representatives from our team.

Stefan Sidgurdson (In Remembrance)

Former Memorial Consultant and Designer

Stefan was a proud Canadian and he loved Manitoba. He worked in many different industries and brought a lifetime of customer service and care to our team. He is dearly missed by all who knew him.

With the loss of a loved one comes many decisions. All of these decisions are equally important, but few will be as long lasting as the way you chose to honour your loved one. The memorial you choose will mark a special place of remembrance and will endure for decades to come.

Going through the process of selecting a memorial is a foreign process for a lot of people, and often it is the most dreaded task. There are a wide range of options and making a decision may seem overwhelming. We are here to help ease the process. We will provide you with an understanding of cemetery rules, permits and regulations. You may feel more comfortable to have a consultation at your house; it is for this reason that our team is willing to travel to you! We are available for free consultation in the comfort of your home or at our Main Street office in West St Paul, Manitoba.

We offer the highest quality of granite and bronze memorials. We guarantee that we will provide you with premium product and excellent customer service. We look forward to serving Canadians for years to come!
